Marlyn Abramson's New Dance Workshop

We are a performance based dance school that promotes individual success through discipline and patience in a caring environment. We are privileged to partner with the YMCA and offer our dance program where we share a common philosophy. Our program is inclusive for the community, not just YMCA members. Please visit our website for additional studio information (www.newdanceworkshop.com). Please register by contacting Erin Griffith at 215-513-1344 or misserinharleysville@yahoo.com.
