PRIVATE Dance Pod Class

Looking to dance with friends sharing similar Covid risk standards? Look no further....NDW's Private Dance Pods offer parents the opportunity to select a small group of students that share in similar Covid risk standards.

- * Participants must fall within a 2-year age bracket of each other (i.e. 3-5yrs, 6-8 yrs, etc).
- * Each pod must consist of 5 students but may not exceed 10 students.
- * Classes will follow NDW 2020-2021 season from September 11, 2020 through May 2021, except listed holidays.
- * Dance Pod Class will follow NDW tuition schedule

How it works:

- *Parents will form a group of 5-10 dancers sharing similar Covid risk standards and select an available Pod Class time/day.
- *Parents select style of dance
- *NDW will assign a teacher to the class.
